Polits Wonderland Theater

The Wonderland is well filled at

every performance. The bill presented a excellent and very entertaining. There are, besides Mr. Lina and Miss Vani, the sensational European gymother brilliant artists. and Chase are exceptionally bright comedians, who play on many musical instruments, though the great charm of their art lies in the brilliant comedy they vein their specialty with. Mr. Hyams and Miss Collier are also inensely interesting, the former's rich paritone voice combining well with Miss Collier's keen dramatic sense in making a sketch that is delightfully charming. Others who entertain visi-tors to the Wonderland, and do it well, are Mr. Vernon and Miss Hawthorne he Misses Rice and Halvers, Burt Jordan, the Kins-Ners, Miss Ida Howell and George C. Davis.

SWIFT JUSTICE IN SPAIN,

Execution of the Assailant of Captain-General Prima Rivera.

Madrid, June 5 .- Captain Clavijo, who shot and seriously wounded Captain General Prima Rivers, after the latter had refused him the hand of his daughter on Monday last, and who was tried by court-martial and sentenced to death yesterday, was shot at 8 o'clock this morning. Even that failed to kill him, and he did not die until another soldler fired a bullet through his heart. The scene created excitement and horror among the crowd of spectators present.

Pumping Out Beaver Ponds.

An attempt to get rid of the surplus water in Beaver ponds was begun yesterday afternoon. A steam pump was worked and the water of the ponds was thrown to the other side of Hudson street, where it soon sank away. It is thought that this work will soon do away with the surplus water, and the ponds will be filled up with earth. Hitherto the filling has been found to be inoffectual, and of the 2,000 loads which have been dumped there is hardly any sign shown.

May Erect a New Church Edifice.

The parish committee of the Church of the Messiah met last night and in-formally considered the plan of creciing a new church edifice. As a full committee was not present it was de-cided not to take a binding vote to erect a new church, but all the mem-bers of the committee who were present were enthusiastic in favor of a nev building, and it is probable that another meeting of the full committee will be called soon to take definite action.
